CONTENT	TEACHING AND LEARNING
<b>Musical learning</b>	<ul style="list-style-type: none"> <li>• play instruments with control e.g. maintaining a steady beat, getting faster/louder</li> <li>• perform a rhythm accompaniment to a song or rap</li> <li>• chant with a sense of control of <b>tempo</b> (speed)</li> </ul>
<b>Resources</b>	(a) mp3: <b>HERE WE GO SANTA MALONEY; TRAIN RIDE</b> (b) PowerPoint: <b>TRAIN RIDE</b> (lyrics) (c) Untuned percussion (d) Sing Up: <b>THE MAGIC TRAVEL MACHINE</b>
<b>Introduction/ warm up</b>	<b>HERE WE GO SANTA MALONEY</b> a circle game sung to the familiar tune <b>One finger, one thumb</b> . Lyrics and instructions on how to play the game on page 2.
<b>Main part of the lesson to include some aspects of:</b>  <b>Singing</b>  <b>Composing</b>  <b>Performing</b>  <b>Listening</b>  <b>Appraising</b>	1) Display the PowerPoint of the chant <b>TRAIN RIDE</b> and play the mp3. Listen to the changes in <b>tempo</b> (speed) representing the different stages of a journey. Try chanting it with the recording, keeping together for the changing <i>tempi</i> , especially the last verse which gradually slows down before stopping.  2) Choose 4 leaders (one for each of the first 4 verses) and ask them to choose an untuned percussion instrument and play on the beat (pulse) matching the pace of their verse. Encourage them to teach their rhythm to a few additional players.  3) Display the lyrics and listen to performance track of <b>THE MAGIC TRAVEL MACHINE</b> (Sing Up) and hear about the contrasting destinations in the lyrics. Learn the song with the echo tracks and enjoy the funky accompaniment.
<b>Ideas for revisiting in the week:</b>	Revisit <b>TRAIN RIDE</b> and choose other holiday landmarks e.g. 'Disneyland' or 'the hotel' to substitute for 'the beach'. Divide the chant between 5 small groups, making each group responsible for performing a verse. Add rhythmic percussion accompaniments, too.

As we go roundabout!

Sing while walking round in a circle. Before singing verse 2, invite a child to choose 2 actions: e.g. tap your head and wiggle ... and sing these to the tune. Go back to verse one and the game repeats with a new action verse.

**TRAIN RIDE!** This rap accelerates and slows down, just like a train journey.

Train at the station                      Start slowly  
Get inside!  
Shut the doors  
We're ready to ride!

Train's left the station                  Faster  
Gathering speed!  
Get out the sandwiches  
Food's what we need!

Roaring along like a                      Fast as you can  
Ten-force gale!  
Eating up miles  
Of silver rail!

Look out ahead                              Slowing down  
We've reached the town!  
Can you see **the beach?**  
We're slowing down!

Find your luggage                         Chant getting slower until you stop  
Ticket too!  
The train has stopped  
At platform two!
