Introduction/ warm up	<p>CHOC FEST a cumulative <u><i>and ironic</i></u> warm-up song to the familiar tune ‘One finger on thumb keep moving’ (words on page 2). Display the PowerPoint slide of the lyrics and join in with the mp3 recording. Notice that the ‘eating’ verb changes on every verse.</p> <p><i>NB: Please ensure that pupils see this as a humorous activity and not an invitation!!!</i></p>
Main part of the lesson to include some aspects of: Singing Composing Performing Listening Appraising	(1) Display the words and play the performance track of CHOCOHOLICS (Sing Up), encouraging pupils to join in with the chanted maths ‘division’ statements each time. (2) Notice the alliterative feature i.e. that every pupil’s name begins with L. Sing along to the performance track, ensuring a humorous and bouncy interpretation. (3) Allocate the 7 singing roles: <i>Lewis, Laxmi, Luke, Leah, Lee, Lara and Leroy</i> to volunteers, and choose a confident soloist for the narrator’s role. Ask everyone else to sing ‘Wow!’ and chant the division statements, too. Try using the backing track, only, and eventually, sing without the displayed lyrics. (4) Encourage the class to suggest ways of staging the song – including the 7 friends’ entries and exits - and perhaps trying out new voices for the solo parts? (5) Can pupils add some untuned percussion patterns or sound effects? Will a giant bar of chocolate feature in your performance?
Ideas for revisiting in the week	Practise your performance ready for a school assembly, include every class member on stage and work on making the presentation as entertaining as possible.
