Dear CJO families,

Thank you very much for attending last week's welcome meeting on Teams! Thank you also for your patience and understanding as we all learn to navigate a new way of making music together – our collective learning curve is steep but we will get there together. If you were unable to log on to last week's meeting for whatever reason, please do not worry. All information that you will need is in the CJO welcome letter that was sent out on Tuesday, and all information about how to sign up to SmartMusic is in the emails from each sectional coach. If you are missing anything, please get in touch and I will help.

Please note, a correction from the CJO welcome letter is that we actually **are** able to hand out physical copies of the music and we **will** be giving out folders. We will have these ready for next week's in-person sectionals. In the meantime, if your child would like to have a go at the music, please print it out at home. All music and backing tracks are available in the files section of teams. We will explain more about how we're using SmartMusic to supplement our rehearsals in the coming weeks.

Details about further online rehearsals will go out in the next week. Please keep an eye on Teams for this information. Please remind your child that when they log on, they need to be muted from the start.

We are very excited to see you in person at Kettering Rd next week!

Very best wishes,

Mrs Foster, Mr Bell, Mrs Bell, Mr Smith, Miss Heath, Mrs Turnock and Mr Butler
