

Dear Parents/Carers,

I am sorry to send a second letter so soon, but hope that this will be good news for you! Mrs Turnock and I have come up with a plan to get CTS students to NMPAT on a more regular basis. We have the use of a second large room which can accommodate 8 students + staff. In total we can have 22 students at NMPAT each week (there are 32 of you in total). We feel this would be a much more beneficial experience for the children – however great Microsoft Teams is – at their ages, they will enjoy a ‘live’ rehearsal more.

We have decided to split the groups down slightly more to accommodate this, there are now 4 groups of 8 students who will come on a bi-weekly rotation. They will remain in these smaller ‘bubbles’ whilst at NMPAT and not mingle with the other rehearsal.

This table shows the groups/bubbles for all students:

CTS Bubbles	Violin 1	Violin 2	Viola	Cello	Double Bass
Group 1	Jesse Cohen Leona	Jemima Keeret	Jess Sam	Hayden	
Group 2	Lucy Macey	Daisy Carys Erin	Riya	Lexi Katie	
Group 3	Lily Naomi Imogen	Katie Miriam	Emily		Emily Jasper
Group 4	Alexander Kneisha Sophie	Alex William Emily	Alex	Nate	

Below is a table detailing which dates each group/bubble should attend Kettering Road, and in which room. All of this information can also be found in the Files tab on Microsoft Teams.
