

Northamptonshire Music and Performing Arts Trust

Dear Jazz 3 members,

It was lovely to see so many of you at our online Teams meeting this Monday. All the parts, including rhythm parts, for Rumble Bee are now in the Files section of our Jazz 3 general channel on Teams, so if you're able to do so it would be great for you to download them and start practising them.

Horn section players, so you know which part is yours, here is a list:

1st alto sax: Bella Godley

2nd alto sax: Madiha Harrison

1st tenor sax: Bradley Roberts

2nd tenor sax: Kristos Ntogiakos

The rhythm section, along with **Haeden Ritchie-Urquhart** on baritone sax and **William Jeffs** on bass trombone will be meeting EVERY week in room 4 from 5.00pm- 5.45pm with Mr Bateman.

Live rehearsals (through door 3 in lower car park, up the stairs in room 4) at Kettering Road for the following groups will be on these dates:

Alto saxes and trumpets:

21st September, 5th October, 19th October, 9th November, 23rd November, 7th December

Tenor saxes and trombones (except William):

28th September, 12th October, 2nd November, 16th November, 30th November, 14th December

Whilst one group is having a live rehearsal, the other will be invited to an online Microsoft Teams meeting to watch it and hopefully practice along on their instruments with their microphone muted. Therefore, this coming Monday I will be rehearsing the altos and trumpets and the tenors and trombones (except William) will be watching online. You will be receiving your invitations soon.

And finally, don't forget the door code! 0519

Best wishes and see you on Monday,

Mrs Welters & Mr Bateman
