virtuoso.

Remixing music education

We teach the art of modern music with expert guidance from the world's best artists. Here is what every Virtuoso member school will get:

- Unlimited licenses to Virtuoso
- 300+ hours (and growing) of video courses with a relevant and diverse group of well known artists in Music production, DJing, Songwriting
- Genres: House, Techno, DnB, Dubstep, Grime/Rap, Pop
- Micro Projects for students mapped to UK music specs e.g Performance using technology
- A Pioneer DJ DDJ-200 deck worth £140 (limited availability)
- Ableton Live Intro for every student
- Member schools will get £50 voucher for GAK.co.uk per referral to other schools
- Priority access to music industry Artists and People working in the music industry for guest speakers and workshops in line with National plan for music.

"Virtuoso are the leading lights for music technology education, they're doing something no one else is"

James Manwaring, Director of Music – Windsor Learning Partnership
